

MORRIS CONSTRUCTION RESPONSE TO COVID-19

To all valued clients, subcontractors and vendors

It has been a tough few weeks, as we navigate a new normal amid the COVID-19 situation. Morris construction is committed to the health and welfare of our employees, their families, our subcontractors and vendors while continuing to serve our clients with the quality Construction services, they have come to expect.

While our jobsites and offices remain open, we are taking all recommended precautions of the CDC to reduce the spread of the virus hygiene and social distancing measures. Most of our office staff are working remotely to support our field operations currently minimizing the risk of the spread. In this time of rapidly changing conditions we are pushing forward our project schedules to reduce the effect of the COVID-19 disruption.

We will all get through this together as we live by our corporate mantra.....

Building Better Together ... Stronger Together!
